About Christie

EXPERIENCE

Christie joined the firm in December of 2021, bringing with her over 30 years of litigation experience in the areas of civil litigation, insurance defense, contractual disputes, transportation litigation, trucking litigation and personal injury. She further worked as an independent adjuster while studying for the Florida Bar such that she has insight into how our clients view and adjust claims associated with the above areas of litigation. She has unique knowledge of the workings of the insurance industry and with that, adds to her well rounded experience in these areas of litigation.

Christie is the proud mother of boy/girl twins who turned 19 in 2022 and are off to college. In her spare time, she enjoys spending time with her family, taking her family on adventures outside of the metroplex, exercising, and yoga.
